

# LAUNCH YOUR CAREER WITH A MULTISTATE LICENSE

Apply on January 1, 2023, and Care Beyond Boundaries.

**With your new multistate license, you can:**

- » Easily practice in-person or provide tele-nursing services to patients in all NLC states.
- » Quickly cross state borders to provide vital health care services in the event of a disaster or public health emergency.
- » Expand your career opportunities with the freedom to apply to positions across the country.

# CARE BEYOND STATE BOUNDARIES

## NEXT STEPS AND APPLICATION PROCESS

### Is an MSL Right for You?

**Navigating the Nurse Licensure Compact:**  
Initial Licensure by Examination for New Graduates

Is your primary/legal state of residence (PSOR) a compact state? (This is the state in which you hold a driver's license, are registered to vote, and/or file federal income tax.)

NO

YES

You may be eligible for a **single state license**.

Apply for state licensure by examination in any one state of choice.

Apply for licensure by examination in your primary state of residence (PSOR).
